K SHELL

A group of approximately 20 people of various ages are climbing a metal staircase that leads up the side of a large, white wind turbine tower. The people are smiling and waving their hands. The tower has a green stripe near the base. In the background, another wind turbine is visible against a clear blue sky with some light clouds. The ground is a mix of grass and a paved area.

# A VIABLE FUTURE?

- Het bos als energie-centrale; elektriciteit uit micro-organismen?
- Oplaadsystemen voor mens, dier, devices, auto's en fietsen met zonlicht, water en windkracht?
- Warmte voor kantoorstoelelen genereren middels compostering?
- Blockchain based renewable energy sharing systemen voor participatie?
